

Ideal FARMERS' MARKET

Saturdays 9 am - 1 pm

late May to early September
in our parking lot

Meet the farmers, bakers, producers and artists who grow, bake, design and create the local products you will most certainly want to take home.

- Locally grown vegetables... *check!*
- Homemade breads & cookies... *yes even sweet treats!*
- Juices, jams, honey... *yup!*
- Goat soap & lotion... *got it!*
- Artisan signs & flowers... *bingo!*

Ideal Corners Giving Garden

Volunteers, master gardeners and local funders have all helped create a bountiful garden behind our store.

The produce harvested from this garden is donated to local food shelves.

On your next trip to the co-op, stroll to the back of the store to enjoy the splendor of Mother Nature and witness the power of community coming together in support of those in need.

OUR MISSION

Provide access to local, sustainable, healthy food and products.

Cooperatives are independent businesses owned by community members... like you! They are governed by the members and operate to provide goods and services in a way that keep resources in the community.

What does it mean to be a Member-Owner?

When you become a member-owner, you become part of a community supporting Ideal Green Market and the local economy... and you get access to member owner deals!

You can join by filling out an application (available at the store) and a one-time \$100 stock purchase.
